## Vacancy Reference No. 910298

PathWest Laboratory Medicine WA provides diagnostic services across the full range of pathology disciplines. Our mandate to the health needs of the Western Australian community is far reaching, serving both metropolitan and regional WA; a massive undertaking to more than 1.8 million West Australians, across more than 2.5 million km<sup>2</sup> of land area. This is achieved through a network of 24 branch laboratories and collection centres from Kununurra in the north through to Esperance in the south.

**Other Conditions** Fixed Term (4 years with possible extension) - Full Time.

Whilst this selection process will initially be used to fill the above vacancy, it may also be used to fill other "identical" vacancies throughout the health service. In addition to this, should the successful applicant decline or vacate the advertised position, then the next most suitable applicant may also be selected from this process. Both of these options remain valid for a period of six (6) months from the initial date of the appointment.

## Job Description

We are seeking to appoint a Clinical Haematologist who will provide clinical management of patients at rural/regional sites and Sir Charles Gairdner Hospital. The haematology department at SCGH comprises the Haematology care centre with facilities for consultations and chemotherapy and in-patient facilities on ward G73. The department has a particular interest in the clinical management of haematological malignancy and an active autologous stem cell transplant program. In addition, you will also provide diagnostic Laboratory Haematology Services to PathWest.

## Selection Criteria

Please see the attached Job Description Form.
