The only official 2020 Highlights of ASH[®] IN ASIA-PACIFIC HANOI, VIETNAM MARCH 13-14

At this Highlights of ASH program, network with your colleagues and the world's top hematologists, hear the most important research updates from the 2019 ASH Annual Meeting and Exhibition, and learn how this science can translate into improved patient management and care strategies in your practice.

Plan to attend to hear a distillation of the newest discoveries and analysis from the top experts in malignant and nonmalignant hematology, as they discuss research that is moving the field forward.

Registration opens fall 2019
