

The Haematology Society of Australia and New Zealand (HSANZ) Council is pleased to call for applications for the **HSANZ New Investigator Clinical Fellowships** to be taken up in 2020.

HSANZ is providing the opportunity for medical graduates to gain clinical or laboratory experience in acknowledged centres of excellence located overseas or in Australia and New Zealand. Overseas centres of excellence and skill acquisition that is considered important for the advancement of the profession may be prioritised in the selection process.

Funded by HSANZ with support from industry, successful applicants will be required to provide a report to the HSANZ council and industry partners at the end of the funding period.

Clinical Fellowship Value

Each Clinical Fellowship is funded to a total value \$60,000 for a period of one year only. Clinical Fellowships must be taken up in 2020.

Clinical Fellowship Eligibility

1. Applicants must be either:
 - in the final year of Haematology advanced training, **OR**
 - within 5 years of completing FRACP and/or FRCPA training in Haematology.
2. Australian or New Zealand residents.
3. Be members or trainee members of HSANZ.
4. Willing to present a report to the membership of HSANZ at the National Scientific Meeting: Blood after the completion of their Clinical Fellowship.
5. Willing to attend the award presentation at the Blood 2020 Gala Dinner in Perth, 22 October 2019.
6. Applicants may only receive one PhD scholarship or Clinical Fellowship during their lifetime.

Applications must contain a:

1. Fellowship proposal including Research Project (5 pages maximum including references).
2. CV of applicant (3 pages maximum).
3. Statement of how the proposed Fellowship relates to the promotion of Haematology practice and the aims and objectives of the Haematology Society of Australia and New Zealand (1 page maximum).
4. Written reference from a referee familiar with the applicant's recent work history (1 page maximum).
5. Fellowship supervisor report to confirm supervision arrangements for the proposal. The report should also comment on the suitability of the applicant for the fellowship and likelihood for successful completion of the fellowship project within the proposed time period.

HSANZ New Investigator Clinical Fellowships for 2019

Application Procedure

1. Applications must be accompanied by all relevant documentation.
2. Applications must be submitted in full by the **5pm on the closing date**.
