TERMS AND CONDITIONS

Cancellations or amendments:

One night's accommodation fee will apply to any reservation cancelled (or reduced in length of stay) within 14 days prior to the booked arrival date. This will apply to all cancellations for reasons within or outside of your control and is a non-negotiable condition. For accommodation options with a more flexible booking condition i.e.: cancellable without charge up until 24 hours prior to arrival, please contact the hotel reservation team direct for options. Contact number provided below.

Availability:

Accommodation rooms will not be held as of **Thursday, 25 July 2019** as this date constitutes the release back date for the block. Rates will be subject to change after the abovementioned date and availability cannot be guaranteed beyond this point. All bookings are subject to availability at the time of the reservation and room types are limited to the original negotiation agreed upon during conception.

Confirmation:

A confirmation of your booking will be returned to you via the email provided once the request has been received and the booking is confirmed in our system. Please contact the hotel if you have not had confirmation within 48 hours of your request to ensure your reservation has been confirmed. The hotel will not be responsible for reservations made to which a confirmation letter was not received and subsequently not followed up within the 48 hour period advised above. Alternate methods of confirmation are available via fax or verbally over the phone, should these methods suit your needs best. This option should be discussed with the hotel at the time of the reservation and should not be an assumed service as a feature of your reservation.

Please return this booking form by email to: h3026-re01@accor.com

Alternately we can take your reservation over the phone by calling Reservations direct at the hotel during business hours on: 08 8524 0077

The Novotel Barossa Valley Resort strongly recommends against returning this form by Fax or Post as we cannot guarantee the security and privacy of the information within
